## A word from the chair

Welcome to all our members.

I will be stepping down from committee next month and retiring from childminding Summer 2019.

I have thoroughly enjoyed my time on committee and relished the challenges we have faced. I am proud of everything that we as an association have achieved, working together to raise the profile and professionalism of Registered Childminding in Jersey and forging strong links with other professional bodies. We have achieved so much over the years and I would like to thank everyone who has served with me on committee for their help and support during this time. It is and always has been a team effort. I wish the new committee every success as they move the association forward.

Have a wonderful summer and thank you all once again.

Jennie.

### Policies & Procedures 25<sup>th</sup> & 26<sup>th</sup> April

Thank you to everyone who attended this course. We had a great turnout with fantastic feedback. It was wonderful to see both experienced and trainee childminders sharing their policies, exchanging ideas and discussing why certain scenarios have resulted in them making changes to their policies.
